```
package club.westcs.BlackjackCeciliaB;
3 public class BlackjackRunner {
 40 public static void main(String[] args) {
 5
 6
          * creates a new game logic intance
 7
 8
          * starts the run game
9
10
          StrippedGameLogic logic = new StrippedGameLogic();
11
12
          logic.runGame();
13
14
      }
15 }
16
```
